Create a Pension Type Plan Single or Joint - With a Fixed Index Annuity to Cover Your Basic Expenses

With a Portion of your retirement money, create a single or joint **lifetime Income (Pension type Plan)** to cover your BASIC household expenses, and guarantee that you will never outlive your money. Your remaining balance is paid to your beneficiaries.

Sleep at night insurance knowing that no matter how your other investments perform, you can be sure a monthly check in addition to your Social Security check, will be deposited into your bank for life.
